Education

Tufts University <i>Future Leaders Fellow</i> MS in Economics • Merit-based Fellowship • Fully Funded • Graduate Thesis • GPA: 3.8	May 2024
Cornell University <i>Departmental Scholarship Award Recipient</i> MA in Regional Science • Merit-based Award • Partially Funded • Graduate Thesis	May 2022
New College of Florida <i>The Honors College of Florida</i> BA in Economics and Math (Minor in Urban Studies) • Bright Futures Scholarship • Undergraduate Thesis	May 2019

Professional Experience

Peterson Institute for International Economics <i>Research Analyst (for Jed Kolko)</i> Tasks include conducting empirical research on U.S. economic statistics by reviewing federal statistical methodologies, compiling analytical datasets, producing reproducible analyses in Python, R, and Stata, and contributing to research papers and public-facing publications on economic measurement.	Washington, D.C. August 2026 – Present
Federal Reserve Bank of New York <i>Research Analyst (in Money and Payment Studies)</i> Tasks included using CPS, CES, and JOLTS data to generate labor-market indicators used for policy briefings, updating the Local Government Investment Pool dataset used for monitoring short-term investment vehicles across U.S. counties, cities, and states, developing automated validation scripts using SQL and Python to assist with cloud migration of multiple datasets, and using CRSP, NIC, and Compustat data to refine crosswalks linking bank regulatory identifiers to company codes.	New York, NY June 2024 – July 2026
Tufts University <i>Research Assistant (for Jeffrey Zabel)</i> Conducted exploratory research using HUD data with the goal of investigating the relationship between homelessness, supply of housing, and various rental assistance programs.	Medford, MA Sept 2023 – May 2024
<i>Teaching Assistant (for Jeffrey Zabel and Adam Storeygard)</i> Teaching assistant for two master's level courses: Statistics for Econometrics (Fall 2023) and Econometrics (Spring 2024). Responsibilities include grading assignments, weekly office hours, and weekly recitations on theoretical econometric and statistical concepts along with Stata procedures.	Sept 2023 – May 2024
<i>Grader</i> Graded assignments for Game Theory (Fall 2022), Basic Econometrics (Fall 2022), International Migration (Spring 2023), and Urbanization in the Developing World (Spring 2023).	Sept 2022 – May 2023
Federal Reserve Bank of Philadelphia <i>Machine Learning Graduate Summer Intern</i> Created an R Shiny dashboard equipped with interactive visualizations displaying various parity measures across time and space. Parity measures were constructed using HMDA data, and they include measures of representativeness, equalized odds, statistical parity, conditional parity, and statistical-conditional parity.	Philadelphia, PA June 2023 – Aug 2023
New College of Florida <i>Teaching Assistant</i> Held TA sessions and graded assignments for students in Intermediate Microeconomics (Fall 2018), Discrete Mathematics (Fall 2018), and Calculus II (Spring 2019).	Sarasota, FL Aug 2018 – May 2019
<i>Research Assistant (for Sherry Yu)</i> Collected historical financial data on SP 500 companies using the Bloomberg Terminals.	Jan 2018 – May 2018

Academic Writing

Occupation-Subsector Complementarity on Establishment-Level Growth	Thesis Defense: Aug 2025
Committee: Jeffrey Zabel, Marcelo Bianconi	
Agglomeration Premium in Polycentric Cities	Thesis Defense: Aug 2022
Committee: Nancy Brooks, Ravi Kanbur	
Land Capitalization in Dynamic Tiebout Model with Agglomeration Economies	Thesis Defense: Sept 2019
Committee: Sherry Yu, Richard Coe, Necmettin Yildirim, David Brain	

Skills, Datasets, Additional Info

Languages: Stata, Python, R, SQL, LaTeX

Datasets: Census (Sworn Status), HUD (Restricted Access), USITC, CPS Microdata, RAIS, HMDA, JOLTS, CES

Citizenship: U.S., Brazil, Costa Rica

Misc: Bilingual (English and Portuguese), first-generation college graduate
